

May 5, 2023

Pop this date in your diaries - we'll be heading to Canterbury!

Plans are coming together for the 11th Next Generation (new or aspiring deer farmers) Programme on 3 and 4 August and it's shaping up to be a fantastic event. We're opening expressions of interest to attend. Thanks to Canterbury West Coast Branch NZDFA and Elk Wapiti Society NZ for hosting this year's event.

We're opening expressions of interest now and spaces are limited so registration is essential. We will try to accommodate everyone who has registered their interest and will add to a wait list if required. If you are filling this form in on behalf of multiple people, please fill in a new form for each person.

Due to the popularity of the programme, preference will be given to those who haven't attended before.

We will endeavour to let you know (especially those based in the North Island) by the beginning of June if you have a place.

Attendees at the 2022 Programme

Transport and Accommodation

Attendees are responsible for organising and paying for their own transport and accommodation.

We usually will hold rooms in a hotel or two and take care of the booking, but you must pay on arrival. Once all rooms have been allocated, you will need to organise your own accommodation elsewhere.

For those flying in, we will generally organise transport from and back to the airport.

IMPORTANT: Please wait until we have details out of the programme and your spot is confirmed before booking flights and accommodation.

If you have questions, get in touch with Cenwynn on cenwynn.philip@deernz.org
